

# Face Mask Sewing Pattern

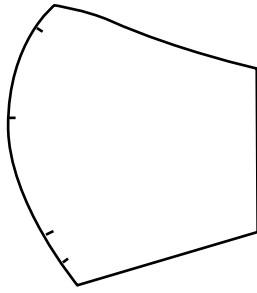

\* Print scale at 100 %

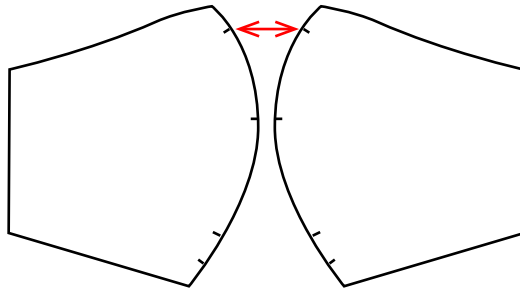

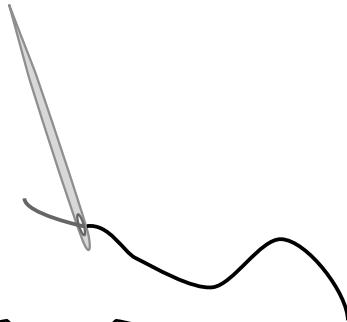

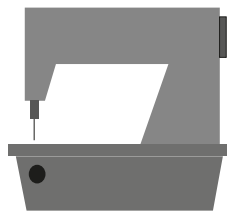

Please note: This is not a medical device and is NOT meant to replace surgical masks! It will not directly prevent you or others from COVID 19, but may help to contain the pandemic! Act responsible!

If you use boil-proof cotton: boil fabric before sewing. If you give masks to others, ask them to do so before they use the mask. Don't touch the outside and wash (boil) after each use.
